Monster Mini Golf opens in Columbia, MD

Vienna, VA - Atlantic Realty Companies, Inc., one of the largest commercial real estate developers in the Washington, DC/Baltimore, MD region, recently announced that Monster Mini Golf opened in Columbia, MD.

Monster Mini Golf is an indoor monster themed glow in the dark 18-hole miniature golf course that offers a host of family-oriented fun activities. Visitors feel the excitement and adventure of playing mini golf amidst cool monster décor with custom and animated props.

"It's a great place for the whole family", says Dan Russell, owner of the Monster Mini Golf in Columbia, MD. "Courses are challenging enough for adults to navigate, yet very playable for children. And our whacky in-house DJ entertains adults and children alike."

In addition to miniature golf, Monster Mini Golf has its own family arcade containing many of today's most thrilling arcade games. At the end of play, game tickets can be redeemed for great prizes.

Monster Mini Golf also has two posh haunted mansion style private party rooms for Birthdays, Fundraisers, Group Field Trips, and Corporate events.

"We are thrilled to have the first Monster Mini Golf in the Washington metropolitan area," says David A. Ross, Partner, Atlantic Realty Companies, Inc., owner of the property. "We expect families from Virginia and DC as well as Maryland because it is so unique and is extremely accessible just off of I-95."

Broker for the Atlantic Realty Companies was Craig Cheney at KLNRetail Commercial Real Estate Services; Monster Mini Golf broker was Jeff Hoffman with CapStar Commercial Realty.

Atlantic Realty completed an eight million dollar renovation on the center last year, which was originally built in the 1980's. Monster Mini Golf joins Ollie's, My Organic Market, Starbucks, Maaco, Jerry's Subs & Pizza, Kids First Swim Schools, Panda Express and more. Columbia East Marketplace is located at the intersection of Rts. 1 and 175 in Columbia, MD, one-half mile from I-95.

Atlantic Realty Companies is one of the largest commercial real estate developers in the Washington/Baltimore region, according to the Washington Business Journal. Founded in 1992, it is a full-service company that owns and manages a portfolio of five million square feet of office and retail space.
